POLO MANAGER

A Letter from the Manager:

Hello everybody, and welcome
to the Calgary Polo Club!

I am so happy to have you all
here on this wonderful day.

For those of you who have never been here before, this is
one of the largest and oldest polo clubs in North America;
located on over 300 acres and originated back in 1890.

Our facility has 9 full-sized playing fields, an outdoor
arena, a polo school, and stabling for over 350 horses!
As someone who has grown up in the polo world,
travelling to clubs all over North America, it is safe to say
Calgary Polo Club will forever be my favourite place to
spend the summer. It has been a great honour managing
this special club this summer, and I hope you all enjoy it
here as much as I do. Thank you all for coming.

-Hope Kerley

Chef Marvin Applewhaite

Chef Marvin Applewhaite is the personification of a foodie or as he would call himself, a "kitchen addict." Though his love for food and cuisine goes back as far as he can remember,

Applewhaite concedes that the 'how to' was not always there, freely admitting that before enrolling into the Barbados Community College Hospitality Institute, where he attained his Associates Degree in Culinary Arts; he could "only fry nuggets." However, with time, an eagerness to learn and a passion for the craft, that changed quickly. In his words: "I grasped all the knowledge I could with every experience that passed my way." Starting his professional career at The Hilton Barbados where he also interned, Applewhaite grew his culinary expertise while working at a series of well known, highly acclaimed food establishments in Barbados such as The Cliff Restaurant, The Cliff Beach Club, 1359 at Port Ferdinand and more recently, one of the driving forces behind Pavao Restaurant and Sweetfield Manor Boutique Hotel. This along with performing his culinary magic for various clients through bespoke private experiences.

Marvin is a member of the award-winning Barbados Culinary Team and has represented Barbados at Taste of the Caribbean in 2014 and 2016; winning many team accolades as well as winning bronze in the 2014 Seafood Competition at the age of 19 while still a junior chef. Chef Applewhaite enjoys cooking international dishes with a local Barbadian twist and therefore relishes the opportunity to execute his expertise abroad.

Currently Chef de Cuisine at Hilton Barbados; heading the La Cabane South Restaurant as well as director at T.Stoute Inc; a luxury culinary services company; Chef Applewhaite continues to leave an lasting impression through his culinary talent and maintains his standard of tasty food using only the freshest ingredients. Though well known for his cuisine, when asked how he would describe himself, he replied "chef, businessman, horse lover;" adding that cooking is his first love and foundation while he also relishes the opportunity to be involved in other interests.
